SPARK TRIXX 3UP

Feature Highlights

BRP Audio-Portable System
(Optional)

High-quality, waterproof 50-watt Bluetooth[®] portable sound system.

Handlebar with Adjustable Riser

A telescopic steering system that optimizes the experience for varying rider sizes.

Step Wedges

Provides enhanced stability and confidence in different riding positions making it easier to pull off tricks like a pro.

Extended Range VTS™
(Variable Trim System)

Offers double the range of the regular VTS™ for easier and more exaggerated tricks.

iBR®
(Intelligent Brake & Reverse)

Exclusive to Sea-Doo®, iBR® stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.

Exclusive Coloration

Exclusive TRIXX™ coloration.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.

- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250
