SPARK 3UP

Feature Highlights

BRP Audio - Portable System
(Optional)

High-quality, waterproof 50-watt Bluetooth[†] portable sound system.

Polytec™

Innovative material that reduces weight while optimizing performance and efficiency. The color-in molding is more scratch-resistant than fiberglass.

Rotax® 900 ACE™ / 900 HO ACE™

Two fuel efficient, compact and lightweight Rotax® engine options.

Front Storage Bin Kit (Optional)

Additional storage space to bring more gear on board.

Slim Seat

Designed to improve freedom of movement while riding.

Boarding Step (Optional)

Makes boarding from the water easier and quicker.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250
